## **Bernese Mountain Dog Club of America Draft Test Purpose**

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

## **Judges Eden Jonas and Sue Van Ocker**

Grounds Open	6:30 AM

Judging will begin at the conclusion of the Walk Through

A final schedule will be posted and distributed to all participants

## Class Entry Details

- There will be a limit of **24** entries for each of the two Draft Tests.
- Entry fees: **\$35** for each single dog team; **\$45** for a brace team.
- A separate entry form must be filled out for each dog of a brace team and then stapled/submitted together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.
- If more than 24 entries are received, they will be prioritized per the following order:
  1. Untitled BMD's
  2. Titled BMD's
  3. Untitled other dogs
  4. Titled other dogs(Note that "titled" means titled in the entered class.)
- A random draw will be held for each group in the list including and following the one that causes a total entry in excess of the test limit.
- Teams entered in a class in which they have already earned the advanced level title will be drawn after teams without the advanced level title in that class.
- Entrants must notify the Draft Test Secretary if a dog has earned a title in the entered class, including if the title is earned after the entry has been submitted.
- A weight certificate form can be found at the end of this Premium list as well as on-line at the [bmdca.org](http://bmdca.org) website under the Draft home page.

## Close of Entries

**Entries close at 12:00 PM EDT on October 21, 2020, at the Draft Test Secretary's address, after which time entries cannot be accepted, canceled, or altered, except as specifically allowed in the current BMDCA Draft Test regulations.**

## Regulations

Entrants are responsible for obtaining the BMDCA Draft Test Regulations (revised as of 2011) and being familiar with them. Draft Test Regulations may be downloaded from <http://www.BMDCA.org>.

The BMDCA and the DWC take dog aggression very seriously and have zero tolerance for inappropriate behavior on the part of dogs/owners and/or handlers. For a copy of the Misconduct Disciplinary Procedure, go to the Draft page of [www.bmdca.org](http://www.bmdca.org).

By participating in or attending this test, you understand and agree to the terms of the Misconduct Disciplinary Procedure. This procedure is a clarification of the Discipline Section of the BMDCA Draft Regulations.

### Waiver of Rights – Animals in Distress

The Buckeye Bernese Mountain Dog Club reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending these dog events hereby waive any claim for damages against the club for such removal. The Club regards the health, safety, and life of any dog on the test grounds to be paramount to other property or privacy rights. We will attempt to reach the responsible party but cannot guarantee contact will be made before action is taken.

### Attention Exhibitors

- The following classes will be offered: Novice, Open, Brace Novice, and Brace Open.
- Handlers must provide their own rigs, harnesses, and tie downs or other means of securing a load on their particular draft rig.
- Handlers must bring their own weight. Weight will be verified via scale at the test site.
- Entered dogs must be 24 months old or older on the day of the Draft Test.
- Open and Open Brace entries must include a veterinary certificate stating the dog's name and weight. This certificate must be dated within 60 days of the date of the test.
- Bitches in season are not permitted to compete.
- The two dogs of a brace team need not be owned by the same person or by the handler.
- Un-entered dogs may be present but, like entered dogs who are not in the ring, must be leashed or crated and under control at all times.

## COVID-19 Specific Test Guidelines – IMPORTANT

- The test **may** be divided into two sessions, one morning and one afternoon, to limit the number of people on site at any one time. If the club feels the need to divide the test, the following may occur:
  - There will be a draw to determine which session teams are in.
  - Sibling groups (dogs belonging to the same owner) will be in the same session whenever possible.
  - NO REQUESTS for which session your team(s) are placed in will be considered.
  - Awards will be done after each session
  - Handlers will need to vacate the test site before check-in for the next group of teams.

### SUMMARY OF EXERCISE CHANGES DUE TO COVID-19 CONCERNS:

- **Recall** – Handler keeps the leash with them and doesn't give it to the judge.
- **Harness and Hitch** – Judges won't touch the dog or harness. If the judge needs to see any part of the harness or hitch, the handler will make that possible
- **Load & Unload** – a chair, small table or similar object will be provided on which to place the load. The steward will approach once the handler has his/her mask on and stands near the load. The greeting will be verbal only (no handshake). During the unload, the steward will pat the dog (two pats is perfect). The handler can choose to wipe the dog's head if they wish. The club will provide a cleanable, impervious object (e.g., plastic coffee can, Rubbermaid container, etc.) for the load that can be picked up with one hand and easily wiped down between teams. Please plan appropriately for securing this type of load object.
- **Group Stay & Freight Haul** – Keep a distance of at least 6 feet from other handlers. Masks must be worn by handlers. Please be sure to train for this change with your dog(s).

### AWARDS AND SCORESHEETS

Ribbons/Trophies/Awards will be made available for handlers to retrieve themselves. Scoresheets will be put into the same plastic bag that was originally used for check-in. The bag will be wiped down and returned to the original ringside cart location.

### ADDITIONAL INFORMATION

- All persons at the test site must wear a mask at all times when within 6 feet of others.
- Handlers will need to be available when their equipment is being checked in:
  - i. If weight(s) for the freight haul need to be weighed, the handler will be responsible for carrying the item(s) to the scale and back to the staging area.
  - ii. Judges will not handle any harnesses or any part of the cart other than what is needed to measure the cart. If these items require inspection, the handler will need to be available to show the items.
- Handlers may go without a mask while maneuvering.
- Handlers must put a mask on before the Load and Unload steward approaches.
- Gate stewards will use appropriate wipes, gloves, etc. when bringing a cart into the ring.
- The movable object will be cleaned/disinfected/sanitized between teams. This will be further clarified in the briefing.
- A COVID-19 Waiver has been provided in this Premium List. The waiver will need to be signed and returned with the entry agreement in order to complete the entry.
- All individuals in attendance will be required to sign the COVID-19 Waiver form. Additional forms will be available at the test site.
